### RAILROAD MEN SUBSCRIBE LIBERALLY FOR BONDS

Railroad men of North Platte are showing their patriotism to country by subscribing liberally for Liberty Bonds. In order to fully acquaint employees with the provisions of these bonds, a meeting was held Saturday evening at the Masonic hall, presided over by Genl. Manager Jeffers. About one hundred employees were present, which considering that so many crews were out, was considered very satisfactory. Mr. Jeffers recommended the purchase of these bonds as an act of patriotism and also as a savings feature, and hoped that as many North Platte employees as possible would make purchases on the installment plan.

Ballard Dunn, publicity representative of the company, explained the bonds in full, and short addresses were made by Chairman Kanold of the B. of L. E., Chas. Bogue of the B. of R. T., and Messrs. Seeburger and Bare. There were present at this meeting in addition to Messrs. Kanold and Bogue, Chairman Smith of the B. of L. F. & E., and Chairman Bergen of the O. R. C. A number of those present subscribed for bonds and a committee composed of C. F. Tracy, John Vernon and Will Friend was appointed to solicit subscriptions among railroad employees.

Manager Jeffers and Mr. Dunn will hold meetings during this week at all division terminals on the Union Pacific. Messrs. Kanold, Bogue, Smith and Bergen, of the railroad orders, precede Manager Jeffers and assist in organizing the committee.
